## “Cruising for the Kids”

On October 2nd, 177 special cars and cycles joined in the annual Trempealeau County Color Cruise. The fundraiser for the Children's Miracle Network drew participants from all over the area. The 90 mile route featured great backroad routes, and the beginnings of the fall colors. WWCC is the main event sponsor. The Tri-County Cruisers (Strum area) and Ram-Rods (Galesville area) helped put on the event, and made special contributions to the CMN Fund. Over \$4,300.00 was raised! The Arcadia H.S. Community Service Club helped with the Memorial Park lunch. Thanks to all who participated and made this a great event!
